

# Which Cyber Training do I need?

## CYBER REQUIREMENT

- Cyber Awareness Training is required to be completed every Fiscal Year.
- Example: If the user completed the training Jan 8 2014; they must renew the cyber training or risk their Network account being deactivated.

- MARADMIN 118-11 ANNUAL CYBER AWARENESS TRAINING.
- MARADMIN 257-12 UPDATES TO ANNUAL CYBER AWARENESS TRAINING
- MARADMIN 690/13 CLARIFICATION OF MARADMIN 288/13 UPDATES TO ANNUAL CYBER AWARENESS TRAINING

-If you are: Active Duty, Reserve, Sister Service, or an International Officer then complete: **CYBERM** on MarineNet.

\*Be advised that this course consists of two sub-courses!

-If you are: Other Agency (FBI, CIA, DHS, etc.) then complete: **CYBERC** on MarineNet.

\*Be advised that this course consists of two sub-courses!

-If you are Department of Navy APF and NAF Civilians with a CAC to include GS employees, Title X etc. then complete Cyber Training on **TWMS**; however **CYBERC** from MarineNet will also be accepted.

- Do not forget to **PRINT** the correct certificate(s) that match the examples on the next page.
  - CYBERM – Must Say CYBERM
  - CYBERC – Must Say CYBERC
  - TWMS – Must have both of these:”
    - DoD Cyber Awareness Challenge
    - Privacy and Personally Identifiable Information (PII) Awareness

How do I get access to:

## MarineNet

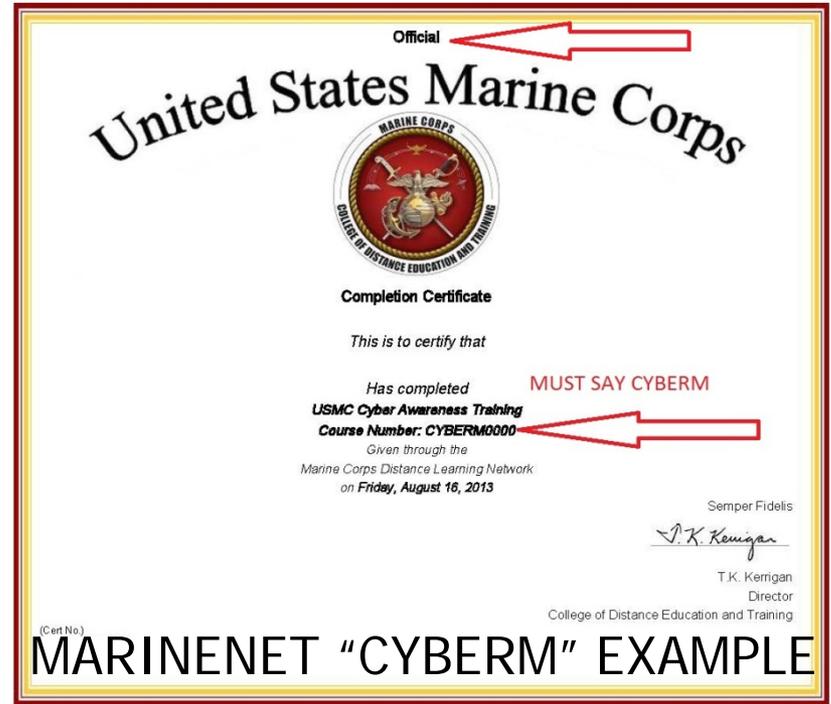

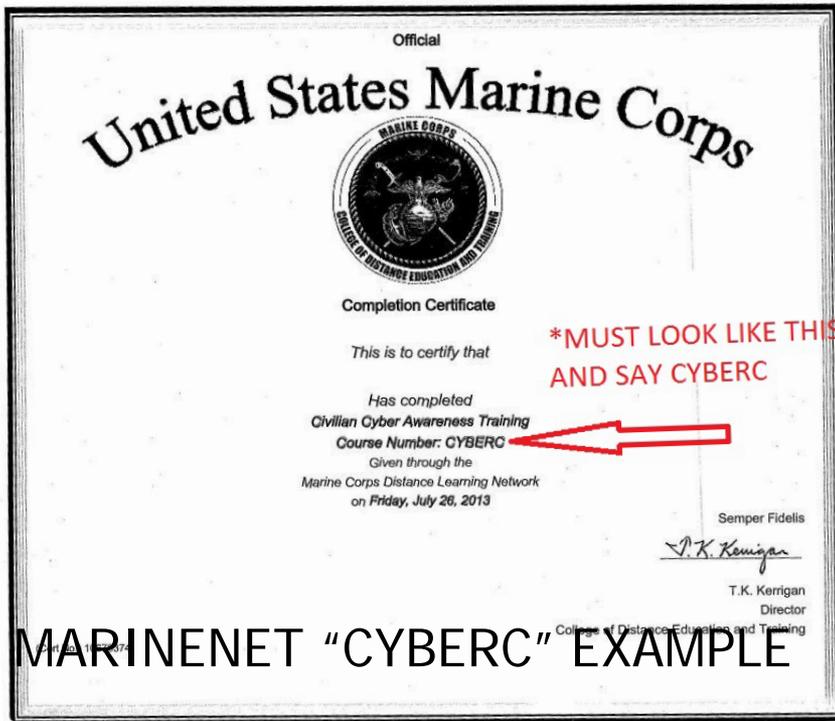

<https://www.marinenet.usmc.mil/marinenet>

- If you are asked for a sponsor contact MCU Student Services at (703) 432-4867 .
- Contact the MarineNet Helpdesk at 1-888-435-8762 if you have any questions or problems logging onto MarineNet.

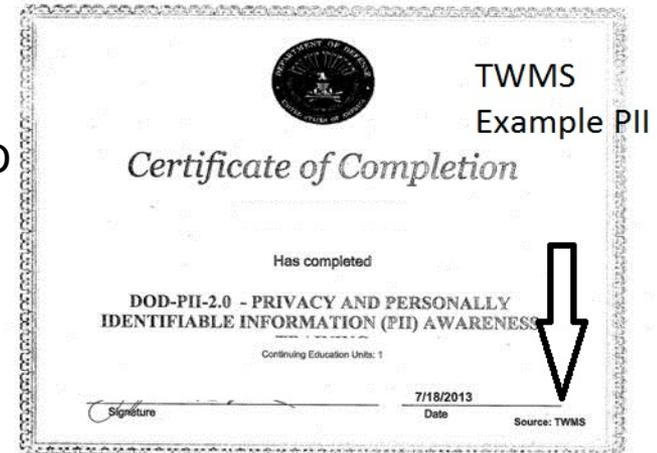

## TWMS

- TWMS –Get a CAC first
- <https://twms.nmci.navy.mil>
- Some users have experienced problems logging into TWMS. If this happens to you, complete the MarineNet CYBERC. You will need to follow the MarineNet instructions.**

TWMS EXAMPLES  
 MUST HAVE BOTH PII AND  
 CYBER

G6 (per MC policy) will not accept any  
 other style or types of certificates
